Wednesday, March 1 - Open Registration for fall 2017

Open House !!

On Tuesday, February 7th, we will be holding an Open House. This is a time for families to come and meet the staff, visit the classrooms, and learn more about our curriculum.

Teachers and assistants will be in the classrooms to meet and talk with parents. They will be talking with parents about our philosophy as a preschool and what we do in the classroom.

It's a great time for new families to come and see our school, but it's also a great way for you to meet the other teachers at CrossRoads and learn more about what your child does while they are here with us.

Please pass along the date to anyone you know who may be interested in registering for the fall of 2017. Registration is the first Wednesday in March.

Reminder!!

We follow the Boone County Schools schedule for closings and delays. If they are on a one or two hour delay we will begin at 10 a.m. If they are closed, CrossRoads will be closed that day.

January's Bible Theme

“Jesus is My Friend and Helper”

The children will be hearing stories about Jesus. Some of the stories include:

“Jesus as a Boy”

“Jesus is baptized”

“Jesus’ Feeds 5,000”

“Jesus Chooses Helpers”

They will discuss how to be a friend and helper.

Color of the Month is Blue.

The children will learn a song about the color blue. It will teach them how to spell the color. Ask your child to sing the song for you. It is sung to the tune of “The Farmer in the Dell.”

The students will continue with the “Letter of the Week”.

Jan. 9th—”M” week

Jan. 16th—”N” week

Jan. 23rd—”O” week

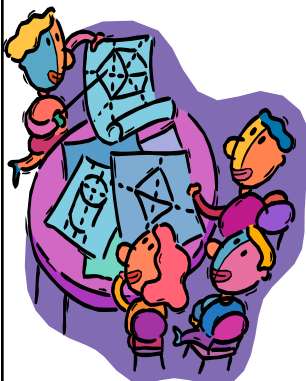

Jan. 30th—”P” week

Help your child find objects that begin with the letter of the week. Any reinforcement from home is so helpful!!

Happy New Year to all of our CrossRoads Families!!

Conferences

We will be scheduling parent/teacher conferences in February, provided the weather cooperates. If you have questions or concerns about your child's progress before that time, please don't hesitate to talk to the teacher or director.

Playtime Pointers

Some fun things you can do at home when you're just hanging around the house.

- Practice standing on one foot
- Hopping on one foot
- Run a piece of masking tape across the floor to create a balance beam
- Pretend the room is a creek and put out some rocks (paper plates) to hop onto. Make sure both feet are getting off the ground at the same time

All of these activities will promote the development of balance and gross motor skills. Play with your child!!
