We teach our preschoolers not to run in the halls and to always stay with their adult.

Please help us enforce that rule at drop-off and pick-up time so we can keep our students and their siblings safe!

Thanksgiving Food Drive

As we learn the story of Joseph, we will be talking about sharing food and helping others who may find themselves in need of help. Once again this year, we will work together to provide meals for local families—some who may not have a Thanksgiving or Christmas feast otherwise.

We will hold our annual food drive the week of **November 18-21**. Donated items will benefit Abundant Life Ministry, our local food pantry primarily serving Boone County residents. We are looking forward to the opportunity to teach our students about giving to others. Bring your donations to school any time during that week and help your child place them on the counter in the hall.

Quarters for Turkeys!

In conjunction with the food drive we will collect “Quarters for Turkeys” again this year. Drop your donations in the turkey containers at the sign in tables. (It doesn’t have to be quarters! Dollars are fine too.) We will keep track of how many holiday turkeys can be purchased with the amount of money that is donated. CrossRoads will match the amount donated so together we can help the food pantry as they help a lot of local families this holiday season.

Food Pantry Requests

Most Needed Items:

(Regular size-not large club or family size boxes)

brownie mixes, stuffing mixes, instant potatoes, canned corn, canned green beans .

November's Bible Theme

"God Loves and Helps Me"

Bible Story

The children will be learning the story of Joseph this month. They will hear about Joseph's colorful coat, learn about his many brothers and follow Joseph from the pit to prison to a position of power.

We will talk about family and forgiveness and trusting God's plan.

Bible Verse of the Month:

"I will sing of the Lord's great love forever."

Psalm 89:1

Color of the Month is

Brown

This month we are learning a fun song about the color brown. We will learn how to spell brown and be able to name some things that are brown (like chocolate cake and chocolate milk.) Your child's teacher has lyric sheet so you can sing along at home.

Support Your School!

CrossRoads Day at Hebron Skyline Chili

Tue, Nov. 26 noon-close

Dine-in, drive-thru, carry out

Just tell your cashier you are from CrossRoads Preschool and a portion of your sale will be donated to the school.

Don't forget, we try to go outside unless it's freezing or raining.

Please be sure all coats, hats, scarves, gloves and mittens are marked with your child's name. We do sometimes have identical coats and jackets, so it is very important to label everything!

Winter Weather is on the Way! We follow Boone County Schools for weather related closures.

If Boone County calls for a one or two hour delay, our morning classes will start at 10:00 am and afternoon classes start at normal time.

If Boone County Schools are closed or have an NTI day, we will be closed. So, if Boone County school buses are not running, we will not have school that day.

We will send out an email or a dojo message as soon as we learn of a closure or delay. Please also keep an eye on the local news for delays and closures in case you miss our messages!
